TV's sexiest blonde babe gets saucy!

IN HOLLYOAKS!

Dan Hardy's
latest opponent
was a surprise

When we think of Gemma Merna, which admittedly is quite often, we think, "Gorgeous blonde, great laugh, amazing boobs!"

But the *Hollyoaks* beauty managed to shock us in her latest *Nuts* interview by being wilder and downright sexier than we could have imagined!

Read on for more Merna than you could ever hope to handle! ➔

"Sorry, my right hand's
really heavy!"

er!

"Doctor, can you
look at my ankle...
I said ankle!"

Hi Gemma! How was the shoot?

I loved it. It's quite dark and edgy and just something a little bit different, so it was really good to do. I really like wearing dark underwear as it always looks a lot sexier. I like to wear colours, too, but if I want to look as sexy as possible, I wear some black underwear with stockings. That always does the trick!

Is this more like the real Gemma Merna?

Yes, it's a bit more mature than the shoots I've done in the past, and it was great to reveal my darker side instead of just posing on a white background. It's more like the real me. I have a dark side that most people don't see. You should never cross me! In fact, you shouldn't cross any woman!

Er, OK! You look amazing. How do you manage to keep your body in such incredible shape?

I love the gym and did a bit of dance when I was younger, so I've always been really active. I do lots of core stability work with my trainer and quite a bit of running.

Anyone chatted you up thinking

Hollyoaks? Not really. I suppose

people think I am Carmel because

that's what they see, but nobody's

You used to share a house with Jennifer Metcalfe. Who had the worst habits? That'd be telling! I'd have to say neither of us because we're both clean living girls. The house was always tidy and we never had a party – honest!

Did you have a score sheet for the number of blokes you got with? No! She was really nice to live with because she always had an opinion on what I was wearing or what boy was worth keeping.

You must have had men beating your door down! They weren't beating our door down, but we did have lots of fun, yeah!

Did you have a beer wall made of cans? No, I can't say that we did. But that's mainly because I don't like beer. We probably would have done otherwise.

What about all night sessions on the Xbox? Ha-ha! I don't even know how to switch one on. We were always out having a good time, so never got into that. We'd normally just roll in and fall into bed with some tea and toast.

What was the last wild night out you had with the *Hollyoaks* girls?

The other night, we went out with Claire Cooper [Jacqui McQueen] for her birthday. We went out to Manchester and had a fantastic time. There were loads of the *Hollyoaks* girls out and no boys. It was really good fun!

Who's the wildest *Hollyoaks* girl?

Do you hunt men together? Of course! That's what all girls do! She always gives me her opinion on a bloke I'd like to meet or helps me to get talking if I'm feeling a bit shy for some reason. Not that it happens very often – when I'm out, I generally like to spend my time with the girls!

You're famous as a beautiful blonde. Would you ever go brunette? Yes, I'd love to try it just to see what it's like. But I don't think work would be too happy. The only way I could do it would be if they wrote it into the script.

Do blondes have more fun?

Probably. I think they're wilder!

Do you enjoy doing the *Hollyoaks*' babes calendar? I love doing it. We have a really good time together and the pictures are always amazing. There are always a few of us around, so it generally turns into a bit of a party.

Are there any *Hollyoaks*' girls that you'd like to have a kissing scene with? No! They're all really sexy and beautiful, so I can see why men would want to kiss them, but I don't go that way.

How much money have you got on you right now? Nothing, I've just walked off set. I can't even get myself a cup of tea and a biscuit!

Don't worry, we'll treat you!

Anyway, you were recently zombified for *Resident Evil: The Darkside Chronicles*. Have you ever rocked that look in public?

No, but I'd love to. I think it looked cool. I'd definitely go out like that!

What's the weirdest fan mail you've ever had? Someone wrote to me and asked if I could take a picture of myself naked on a rocking horse! It freaked me out!

Do blokes talk to your boobs?

Not really. I'm usually covered up when I'm out, so there's not much for them to look at anyway.

Thanks Gemma. Finally, can you down a pint? Jennifer Metcalfe can. But I can't because I don't like beer. If I'm out, I'll generally have a nice bottle of rosé wine. ■

M Dial for Merna

Ever wanted to see *Hollyoaks*' all-time hottest girl Gemma Merna edgy and stripped bare? Yeah, us too...

CHESTER'S FUNEST WORDS: "I'M NOT A MODEL"

"This is definitely my best shoot," a grinning Gemma Merna tells us, as she looks for somewhere to sit down. "There's an adrenaline to it."

We had noticed most of Gemma's shoots — while obviously always hot — tend to be rather well...traditional. "I wanted to do something dark and sensual this time," she says. And are you pleased with the results? "Definitely. It's just plain sexy."

Now armed with her sexiest ever shoot that'll doubtless skyrocket her popularity further, *Hollyoaks*' leading lady must be getting some serious fan mail. "Oh, I do get a lot of letters," the 26-year-old smiles. "I've joined Twitter now so it's easier to get back to people." And do you get many oddballs writing to you? "One guy did take it a bit far," she says. "He asked if he could have a picture of me naked, on a rocking horse. That freaked me out a little bit!"
